

Setting up a JustGiving®

Thank you for choosing to fundraise for Tyneside and Northumberland Mind. We really appreciate your support. Please use this guide to set up your own JustGiving page and ensure that all the money you raise helps us support local people's mental health.

Go to www.justgiving.com/tynesidemind.

Click the blue 'Start fundraising' button on the right.

Choose how you're raising money (e.g. event, occasion, in memory, or personal challenge).

Answer a few questions and pick your page's web address.

Customise your page with photos and your story about why you're supporting us.

Share your page on social media. Click 'Edit your page' and follow the tips under 'Share your page'.

Want to accept text donations? Set up a code using the JustTextGiving instructions on your page.

Want a Custom QR Code?

How to Generate a QR Code for Your JustGiving Page

1. Open your JustGiving fundraising page
2. On your phone or computer, open the URL you created. It should look something like:
<https://www.justgiving.com/page/nameofpage>
3. Add /qrcode to the end of the URL
4. In the address bar, simply add /qrcode to the end of your page link.
5. Example: <https://www.justgiving.com/page/nameofpage/qrcode>
6. Press Enter. This will open a new page displaying your QR code.
7. Save the QR Code:
 - On a laptop: Right-click the QR code and select "Save As".
 - On a mobile device: Press and hold the QR code, then tap "Download Image".
 - If that doesn't work, take a screenshot instead.

If you run into any issues, please don't hesitate to contact us — we're happy to help!

Thank you for fundraising for Tyneside and Northumberland Mind.
Your support is vital — every penny you raise helps us deliver essential mental health services across our community.
